

## Summer Riverfront Series Kicks Off

Our weekly summer riverfront programs will begin Friday, May 27th with Riverfront Yoga and Musical Fridays. Riverfront Yoga is presented by KSB Hospital and Musical Fridays is presented by Community State Bank. This series will run every Friday until September 2. Yoga runs 11am-noon, music in the pavilion starts at noon. We encourage participants to grab lunch from one of our many downtown restaurants and head down to the riverfront to listen to the music. A full list of musical performers and downtown lunch specials will be posted on our Facebook.

The Dixon City Market presented by KSB Hospital and The Stables will run every Wednesday from 4-7pm beginning Wednesday, June 1 and running through Wednesday August 3. The City Market will feature live music, kids activities, fresh produce, beer and wine tastings and more. If you are interested in becoming a vendor at the market, please call our office at 288-2308.

There will be no Musical Fridays or Riverfront Yoga Friday, July 1 due to Petunia Festival activities.

## Join Us for Lunch and Learn

Dixon Main Street's bi-monthly Lunch and Learn program will be presented Wednesday, May 18 from noon to 1pm at The Post House Ballroom. A delicious lunch will be provided by Baker's Street for \$3 per person. The program will be presented by Margo Empen, Superintendent, Dixon Public Schools.

Lunch and Learn is a bi-monthly presentation by Dixon Main Street and sponsored by a local business. This is an opportunity for anyone to grab a quick lunch and gain some knowledge about a group, organization, or current issue.

## THANK YOU

2016 Legacy Sponsors:

Bonnell Industries

KSB Hospital

Dixon Chamber of Commerce

That Place on Palmyra

Stewart's Heating and Cooling

Val's Place

## Downtown Banner Program

Promote your business while helping decorate our beautiful streets with banners featuring original artwork by acclaimed artist, Neal Aspinall. The Downtown Banner Program gives local businesses the opportunity to advertise and sponsor artwork in downtown Dixon. There are 5 different designs to select. The banners feature the company logo or name and hang for one year, June 2016 to June 2017. The banner program is a great way to promote business while benefitting Dixon Main Street events and programs. Call or stop by our office for an order form. Posters and postcards with the same designs are also available in our office for purchase.

**Facebook**

Please remember the 2 hour parking limit downtown. It is important to our downtown businesses that we keep street spaces open for our customers to park. Please encourage employees to use the city lots for all day parking. Thank you for your cooperation.

Since 1996, Dixon Main Street has been an active, strong, and exciting organization focused on the prosperity of downtown Dixon and the city as a whole. We are a 501C3 non-profit organization built and sustained by countless volunteers who are passionate about the services and events that Main Street provides.

Our mission statement is simple:

To foster teamwork, revitalize the economic base of the community, improve the appearance of the downtown area, and promote Dixon as a vibrant place to live, work, and play.

Please feel free to contact our office for any information, questions, concerns or just stop in to say "hello".

Thank you for reading!
