

## DOWNTOWN BANNER PROGRAM

Promote your business while helping decorate our beautiful streets with banners featuring original artwork by acclaimed artist, Neal Aspinal. The Downtown Banner Program gives local businesses the opportunity to advertise and sponsor artwork in downtown Dixon. The banners feature the company logo or name and hang for one year, April to April. The banner program is a great way to promote business while benefitting Dixon Main Street events and programs. DMS is a non-profit organization focused on the prosperity of downtown Dixon.
