

# DIXON POSTER SERIES

Acclaimed artist, Neal Aspinall, has designed five original works celebrating Dixon, IL. His work is showcased on the streets of downtown Dixon via Dixon Main Street's Downtown Banner Project. Neal has reformatted his designs to be featured in a limited edition poster series. Only 100 of each design will be released to the public for purchase. Once sold out, they will be unavailable. The posters will be featured and available in the DMS Gallery Space at April Second Saturdays (April 11) from 5:30-8:00. Neal will make a guest appearance to sign his work. These renditions will be a great artistic addition to any home, business, or office and make great gifts to any Dixonite wanting to celebrate their hometown pride.

## Pre-orders begin March 23, 2015
